

Tourism in Kurdistan ... a guaranteed investment

If you intend to invest or visit a place as a tourist, then visit Kurdistan where peace and security do exist and it is a treasure of culture and beautiful nature.

There are some basic points that encourage you to visit Kurdistan either for investing or tourist:

- Kurdistan investment law that supports all investors including foreign investors.
- The security and peace which exist in Kurdistan guarantee your investing success.
- Kurdistan region has two international airports which have several direct daily flights to several major cities around the world connecting Kurdistan to many European and Asian cities. Moreover the visitor comes directly to Kurdistan and also leaves in the same way thus he/she doesn't pass through any insecure areas of Iraq.
